

Extended Care SM

How do you feel after returning home from a hospital stay or medical procedure? Weak, unsteady, concerned? Home Companions Senior Care can extend the care from hospital, ambulatory, or outpatient care into your home; help you regain your strength, confidence and well-being through non-skilled home care such as:

- Liaison with healthcare professionals regarding discharge orders;
- Drop off/Pick up prescription medication;
- Ensuring safety during transfers and bathing;
- Making and serving tasty nutritious meals;
- Laundry/Tidy Home making;
- Grocery/Errands;
- Accompany to follow up medical appointments;
- Companionship
