

*Medicine Minder*SM

Would you or your loved one benefit from Medicine MinderSM?

- Have you been to hospital because of a problem with your medicine?
- Are you taking four or more prescription medications?
- Do you know what the medicine is for and what it does?
- Do you use more than one pharmacy?
- Do you have difficulty using automated refill services?
- Ever forget to reorder your prescription?
- When you reorder your pills, does the pharmacy have to call the doctor for refills?
- Do you take your medicine regularly? Ever run out?
- Do you have a list of your medicine to give to your health providers?
- How often do you update your list?
- Do you carry your list for emergencies?

If you answered yes to any of these questions you can benefit from the Medicine MinderSM available through Home Companions Senior Care.

“ According to a study published in the New England Journal of Medicine, and reported by AARP and Agency on Aging, there are four common medications that send thousands of seniors to the hospital every year. [Lean more....](#)

Our team of Certified Nursing Assistant's and Home Health Aides, under the supervision of a Registered Nurse, can help you manage your over the counter medicines, vitamins, supplements, and prescription medications. Through non-skilled nursing care, Home Companions Senior Care can potentially reduce risks and improve safety for adults, aging and elderly.

For more information about Medicine MinderSM and how to schedule your no-cost, in-home care assessment, call our office today to speak with our friendly home care staff.
