

Specialty Care

Home Companions Senior Care can help you maintain your health; regain your strength, confidence and well-being through non-skilled home care. We can help you manage the effects of common illnesses such as:

Hypertension | Cancer | Parkinson's | Alzheimer's/Dementia

Multiple Sclerosis | Arthritis | Osteoporosis | Diabetes | Stroke

For more information about Specialty care or our no-cost, in-home care assessment please call our office and speak with our friendly home care staff.
